The school requires all students to join the Student Insurance program to reduce his/her share of the medical care expenditure if an unexpected accident or sickness occures. In addition to the Student Insurance , all students are required to join the National Health Insurance program after arriving in Japan by the Japanese laws.

National Health Insurance Program

Those who will stay in Japan more than a year must join the National Health Insurance program under the Japanese laws. Those who join the National Health Insurance program can have most of medical treatment by bearing only 30 percent of the medical care expenditure.

Please complete the National Health Insurance Program application and Alien registration at the same time after arriving in Japan.

Application Procedures and Selection

- (1) Submit all the required documents to the Center for International Exchange. Selection will be made based on documentary review and interview.
- (2) How to submit the application forms (Choose the best method according to your situation.)

Submit your application forms to office/agency overseas.

Submit your application forms through your representative residing in Japan to the Center for International Exchange.

Other than the above-mentioned methods, contact the Center for international Exchange in advance.

(3) Please check whether all the documents are sufficient with the enclosed "Check sheet" before submitting your application forms. There is a possibility your application will be refused if the documents are insufficient.

Due to the Act on the Protection of Personal Information, the Japanese Language School affiliated with Tokyo University of Technology will not show the personal information given from the submitted documents to any third party.
